Mr. Christian Ampuero,

In response to your FOIA request EPA-R9-2014-002669, please find these links to our plume maps for the San Gabriel Valley Superfund Sites.

GIS layers for the 2009 maps are on the FTP site provided below (GIS directory). Some of the 2011 plume map layers have been uploaded as well, however, they have not changed dramatically. I will request the GIS department upload the remaining layers ASAP. The following is the access information for the SGV FTP site.
